9. (Unclassified - THW) LIAISON Called Stan Taylor, Senate Select Committee on Intelligence staff, and said that I had heard he was speaking to an international studies group that afternoon on reorganization and asked if he felt it would be of benefit to OLC for somebody to sit in on his lecture. He said he felt it would not be of value and, in any case, would give us a readout of the session.

10. (Internal Use Only - MMP) BRIEFING Accompanied [] 25X1
[] NFAC/CSS, [] C/SALT Support Staff/NFAC, and
[] C/Soviet Strategic Forces/OSR, to a briefing on Soviet
strategic forces and SALT verification at S-116, The Capitol, for the Senate Foreign Relations Committee. (See Memorandum for the Record.)

11. (Internal Use Only - MMP) LIAISON Saw Pat Long, House Permanent Select Committee on Intelligence staff, in the Committee offices. He re-explained the background on the 24 January letter from Chairman Edward P. Boland (D., Mass.) to the Director and the fact that the Committee had made a mistake in asking for a Director of Central Intelligence representative in lieu of a representative from the CIA. I told him that we were working on this and that I would be back to him as soon as I had a name for him.

He expressed his mild dissatisfaction with S. 2525, with particular regard to "definitions" as well as other aspects of the bill. He asked me for the identity of the head of the CIA's working group on definitions. I told him that I did not know anything about this group, but would look into it and get back to him. I have subsequently talked to [] OLC, and we agreed that I indicate that [] is the Agency expert on definitions.

12. (Internal Use Only - MMP) LIAISON Met with Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, in the Committee's offices, and he provided me with the needed background on a planned Committee trip from 28 March through 4 or 5 April to London, Berlin and Geneva. The delegation will consist of: Representative Morgan F. Murphy (D., Ill.), Chairman, Subcommittee on Legislation, who will head the group, Representative John M. Ashbrook (R., Ohio), Member of Subcommittee on Evaluation, Representative Romano L. Mazzoli (D., Ky.), Member of Subcommittee on Legislation, and Representative Les Aspin (D., Wis.), Chairman, Subcommittee on Oversight. It is possible that Representative Mazzoli may or may not go. Mr. O'Neil will accompany

25X1 1. [REDACTED] LIAISON Called Barbara Allem, on the staff of the Senate Foreign Relations Committee, in response to her call of late yesterday afternoon to check on the compartmented clearances of staff members, David Keaney and Roy Werner. After receiving word from our Compartmented Information Branch which had also checked with DoD, I advised her that their clearances had not yet been approved.

25X1 2. [REDACTED] LIAISON Rhett Dawson, on the Senate Armed Services Committee staff, requested of [REDACTED]

[REDACTED]
NFAC/CSS and sent via courier to Mr. Dawson this date. His office was advised.

25X1 3. [REDACTED] LIAISON Called James Sieben, in the St. Paul office of Senator Wendell R. Anderson (D., Minn.), in response to his earlier request for a constituent. He had asked about the percent of land in the United States which is owned by foreigners. Having checked with NFAC/CSS, I advised his secretary because Sieben was out of the office that, unfortunately, this Agency could not help with this kind of information since our responsibilities relate to foreign intelligence, and I suggested that the Commerce Department might be able to help.

25X1 4. [REDACTED] LIAISON Delivered to Chairman Birch Bayh (D., Ind.), Senate Select Committee on Intelligence, a letter from the DCI regarding a Report on the Management and Organization of Data Processing Resources [REDACTED]

6. (Unclassified - THW) LIAISON Called Fred Kaiser, Library of Congress, and told him that Jim Taylor, Comptroller, would be attending the panel discussions on Intelligence Community reorganization, scheduled for Phoenix, Arizona, in April. He asked that Mr. Taylor call him directly to discuss the panel's presentation. Mr. Taylor has been advised.

7. (Unclassified - THW) LIAISON Called Henry Myers, on the staff of the House Interior and Insular Affairs Subcommittee on Energy and the Environment, to determine whether Chairman Morris K. Udall (D., Ariz.) still planned to hold an open session. He said Chairman Udall was insistent upon an open session and has rescheduled one for 27 February 1978. He said the issue to be resolved is not whether material had been diverted, but rather whether Lee Gossick's, Nuclear Regulatory Commission, statement that there was no evidence of diversion and that he had not been briefed on the diversion issue was true or not. They plan to have eight witnesses, including the four commissioners and Mr. Gossick. Mr. Myers feels that all phases of the Subcommittee's investigation should be open to the public. He also feels that classified matters would not have to be gone into, at least in the 27 February hearing.

✓ 8. (Internal Use Only - THW) LIAISON George Riedel, Senate Armed Services Subcommittee on Research and Development staff, called saying that the Subcommittee planned to hold a classified session on 9 March 1978 to consider the Department of Defense's research and development budget. He asked if CIA could provide a witness for the Subcommittee in executive session to brief on the Soviet technology base. He asked that such a briefing be at the non-compartmented level, if possible. I said I doubted it would be meaningful at a less than compartmented level. I said we would not want to appear in a session with DOD. He said he felt that could be arranged. I asked him to send me an outline of the specific matters he would like us to cover and I would get back to him as soon as we had been able to consider such a list.

7. (Unclassified - MMP) LIAISON Called Mike O'Neil, Counsel, House Permanent Select Committee on Intelligence, in an effort to find out which Members would be traveling to where over the Easter break. Mr. O'Neil and I agreed to meet around noon and go over the details.

8. (Internal Use Only - MMP) LIAISON Pat Long, House Permanent Select Committee on Intelligence staff, called to tell me that they had made a mistake in the 24 January letter from Chairman Edward P. Boland (D., Mass.) to the DCI. We agreed that we would talk about it further tomorrow, but Mr. Long told me that essentially the Committee wanted a representative of the Central Intelligence Agency to be in touch with the Committee to assist the Committee in making its annual report to Congress called for under H. Res. 658. Mr. Long added that the request for a representative of the Director of Central Intelligence will be corrected in writing by the Committee.

9. (Unclassified - RJK) LIAISON Called Martha Braddock, Joint Committee on Defense Production staff, concerning her request about the Soviet civil defense study. Based on information from [REDACTED] NFAC/CSS, I advised Ms. Braddock that the study had not yet been declassified or released. I told her we would keep the Committee in mind when it was. This information was satisfactory to her.

10. (Unclassified - ELS) LIAISON Called Jane McMullan, on the staff of the Senate Appropriations Committee, about DCI courtesy call on Chairman Warren G. Magnuson (D., Wash.). After discussion with Guy McConnell, of the Committee staff, they recommended calling the Chairman's personal office.

11. (Unclassified - ELS) LIAISON Called Jane McMullan, on the staff of the Senate Appropriations Committee, about DDCI lunch with McConnell, Bouvier and Fellenbaum, of the Committee staff, on 27 February. It cannot be scheduled for that day. 25X1
